

Remington Carpenter Township Public Library

March—May 2018

Library Link

Spring

The Remington Library is working to fill the technology and educational needs of our community. We are using grants and gifts for this purpose.

We are currently working on improving the Tobias Meeting Room. Blackout blinds and a large screen TV are being added to the room. We are currently waiting for the electrician to do the needed electrical work to make this happen.

We are working toward making a MakerSpace Cart that will hold items children of all ages can use to build things. It will hold items as simple as tape, cardboard, string, and fabric. It will also have construction toys such as LEGOs and Gears, Gears, Gears. Other ideas may include batteries, lightbulbs, wire and more advanced electronic toys such as littleBits, Dot, and Cubelets. Some of the more advanced toys will be purchased through grants or gifts and some we will get on loan. These items will support the school's STEM (Science, Technology, Engineering and Math) and STEAM (Art is added) education.

Tinker, Make and Learn. To foster these ideas, the library will have some technology kits on loan from the Indiana State Library April 10-28. Kits include littleBits, Snap Circuits, Monkey Monkey, CreoPop 3d Pen, Discover Electronics, and EVO VR headset. You may visit the library during this time and play with one of the kits at the library. Let us know which kits you like. We are thinking about purchasing some of the kits for the library's MakerSpace Cart.

National Library Week

April 8-14

Libraries Lead

Tech Tinkering

April 21 from 9-noon

In the Tobias Room

Try a new technology toy!
Have fun with your friends.

\$1100 was received from Walmart. This money will be used for children and teen services.

July 31**

Teen Corner

New Teen Books

Have you been to the library lately?

Come in and check out our remodeled teen area. Its now bigger and more private. It has a nice seating area too. We are still in the process of decorating the area. Let us know how you like it and how we can make it more comfortable for you.

Did you know we have added two small meeting rooms? Meet your friends and work on homework projects together. We now have a place you can talk without interrupting others.

Looking for a place to put in some required school community service hours? Look no more. We have opportunities for you to volunteer at the library. Let us know when you are available and how many hours you need so we can work you in our schedule.

Ivy Tech College Credit Program

March 19 at 6-7pm in Tobias Room

See page 3 for more information.

Spring Break Fun

Lock Out Box
