

Remington Carpenter Township Public Library

Sept-Nov 2019

Library Link

We just finished up a busy summer here at the Remington Library. With school out we had lots of children using the library. Some of the things you would find them doing were: sitting quietly in the corner on their computers, playing with LEGOS, Magnets, Straws and other stem toys in the study rooms, creating with paper, glue, and scissors at the table or reading books in a comfy chair. They also participated in many science related programs.

This years summer reading program "A Universe of Stories" included everyone from ages 0-100. There were over 170 participants. This was our most successful summer reading program yet! Kids read for money to spend in the Library Store. Teens and Adults received scratch offs for instant prizes or a chance for a grand prize. Grand prize winners were: Jenna Hopper, Cameron Dewitt, Jalissa Hopper, Tessa Dewitt, Ashley Wealing, Abby Honegger, Kay Masterone, and Natalie Hammer.

Now the kids are back in school and the library has become quieter. The staff have been busy preparing for fall. Decorations are changing, new books are being processed, story time is starting, and several craft programs have been planned. Also in fall is a month devoted to teens, Teentober. The library is planning activates for teens to participate in during the month of October. See page 4 for more detail.

You will see in the next several pages we have things planned for all ages. Join in the activities and bring your friends!

Although the Job Hunting Workshop is planned with teens in mind, adults are welcome to attend!

Fall brings cool evenings and the sun sets early. Now you have more time to read and watch movies. Stop by and view our selection.

Remington Carpenter Township Public

105 North Ohio Street

October 28th at 6pm

"Nice to Meet You Interview Skills"

HOW CAN YOU INCREASE YOUR CHANCES FOR A SUCCESSFUL INTERVIEW?

COME FIND OUT AT THE REMINGTON LIBRARY 261-2543

Please register for the Job Hunting Workshop! This will also allow us to send you an email reminder a few days before the program and alert you of a cancellation should the need arise. To register stop by the library or call the library at 219-261-2543.

Children's Page

Punctuality

While we understand that there are times when being late cannot be avoided, we ask that attendees do not arrive more than 10 minutes after a program's start time in order to avoid disruptions to the program.

Registration

Please register for these programs so we have enough supplies for those attending. If you are not able to attend a program for which you are registered, please let us know so we are not expecting you. Should the program be full we can give your spot to someone else.

Story Hour @ Remington Library

Begins Tuesday, September 10th

Tuesdays
at 10:15am
Ages 3-5

Listen to Stories.
Take home a craft.

Family STEM

Once a month the library will sponsor activities that support science, technology, engineering, and math education. The entire family is invited to work together on the challenges.

September 7th from 10-noon
Magnets

October 5th from 10-noon
Building with LEGOs

November 2nd from 10-noon
To be announced

Remington Library. 261-2543

Mark your calendars!
Mrs. Clause will be reading
Christmas stories
on December 6th.

Friends Update

The annual book sale concluded August 24th. Earnings were \$1183.60. Thanks to everyone who made it a success whether it was helping set up, taking down, or purchasing books.

Next meeting is September 30 at 7pm. All are invited to attend. Help us plan ways of supporting the library. Children are welcome to play in the children's area while we discuss the meeting's business.

Some of our book sale setup helpers.

Now Hiring

The library is looking for someone to work 15 hours a week. Normal work hours are morning, but may be required to work afternoon and evening hours. Saturday morning availability is a must.

An opportunity for hours to grow as the person takes on more responsibility is available.

Duties include helping patrons find books, answer computer questions, enter new books. Will train to take on bookkeeping duties.

Apply at the library.
