

Looniest Summer Ever

2020 RCTPL Summer Reading

June 1—July 31

Because we don't know how COVID-19 will affect us this summer we are changing how we are running our summer reading program this year. We are including other reading material then library books, virtual programming, and special challenges to count for points.

Because the library may not be open, and if open on a limited bases we are not having a library store this year. Instead a \$10 gift card to Walmart will be awarded to all participants that finish. In order to finish you will need to accumulate at least 50 points.

Because of the library's response to changes in the COVID-19 health emergency you may want to like us on Facebook to get updates and special challenges. We will also post changes on our web site, www.rctpl.lib.in.us. For those that do not have access to the internet, packets will be handed out at the library.

Remember that this summer's rules are different, we will not be using these rules every summer!
